

## Gahanna PD Community Bulletin: May 2021

Members of the Gahanna Community:

On behalf of the members of the Gahanna Division of Police, we would like to wish you all a happy, enjoyable and safe Memorial Day weekend with friends and family.

This weekend is a time of celebration, but also a time of solemn remembrance of those who served and sacrificed for our nation. Many of the Division's members are veterans of the armed forces, serving in the Gulf War, Iraq, Afghanistan, and throughout the world with many experiencing the loss of a friend or comrade. Please take a moment to reflect on the loved and lost, and the sacrifices that were made to preserve the freedoms we all enjoy.

Thank you all for your continued investment in Gahanna.

Jeff Spence  
Chief of Police

## Assistance Needed to Identify Crime Suspects

On April 10, 2021, a Gahanna resident reported that multiple fraudulent purchases were charged to her PNC checking account, totaling a loss of \$1,433.39. After investigating, detectives were able to obtain this surveillance photo of the suspect from a Walmart located in Delaware, Ohio. Detectives are still working to identify the person(s) involved.

## Forgery Arrest of Armed Suspects

On March 19, 2021, Gahanna Police responded to Fifth-Third Bank on a report of a suspected forged check, passed by a person in the drive-through lane. Officers responded and were able to quickly take the occupants of the suspect vehicle into custody for the suspected forged check. While searching the vehicle, multiple firearms were recovered. Although the investigation is ongoing, the suspects were subsequently charged for drug, forgery, and firearms offenses.

*Should you have information regarding the identity of these suspects, please contact the Division's detectives at 614-342-4240*

## Vehicle Theft

During the overnight hours of May 14, 2021 to the early morning hours of May 15, 2021, numerous thefts from vehicles occurred in the area of Kason's Way in Gahanna. Several suspects, pictured below, entered numerous vehicles, stealing items and stealing a vehicle as well. The images below are from a nearby car wash, where the suspects discarded items that had been stolen. The suspect vehicle, believed to be a dark colored Ford Edge, is pictured below, along with a Ford Fusion that was stolen from a Gahanna resident.

*Should you have information regarding the identity of these suspects, please contact the Division's detectives at 614-342-4240*

## Gahanna Police Partner with Starfish Assignment Columbus

Gahanna Division of Police has partnered with Starfish Assignment Columbus to initiate a reading program to benefit local area schools who wish to participate. Starfish Assignment Columbus is a charity organization focused on collaboration between law enforcement, and their respective communities, to help those less fortunate. As part of this program, law enforcement officers will visit classrooms, read a selected book and present a free copy of the book to each child in the class. The program has been very popular with officers and students who have participated in surrounding communities. GPD is happy to bring this opportunity to Gahanna, where our first visit engaged the students at Shepherd Christian School.

## May is Motorcycle Safety Awareness Month

As warmer weather has returned so have those who enjoy the open road on motorcycles. May is Motorcycle Safety Awareness Month. Motorcyclists have the same rights and privileges as any other motor vehicle operator on the roads. Safety campaigns are designed to increase motorist awareness of motorcycles, motorcyclist rider safety, and sharing the road.

In 2019, 5,014 motorcyclists died. This number indicates that motorcyclists continue to be overrepresented in traffic-related fatalities. Per vehicle miles traveled, motorcyclists are about 27 times more likely to die than people in passenger cars in a traffic crash.

## May is Motorcycle Safety Awareness Month (continued)

**LOOK TWICE FOR MOTORCYCLES  
WHEN TURNING LEFT**

Motorist Awareness begins with safe driving habits and understanding some unique characteristics of motorcycle operation. Motorcycles can downshift in lieu of braking, which causes deceleration to occur quickly without a brake light display. This helps to maintain a safe distance when following. Motorcyclists will also weave within the lane of travel at times, to avoid road hazards. This may also occur so that they are more visible to traffic, as most vehicles may have up to 40 % of their field of view obstructed by the vehicle's structure.

Motorcyclists must have a specific motorcycle endorsement to operate a motorcycle in Ohio. Of the motorcycle riders involved in fatal crashes in 2019, 30% were riding without a valid motorcycle license. Licensing ensures the rider is road ready with the skills and knowledge necessary to operate safely on the roadways. Wearing a helmet, safe riding clothes and footwear and conducting a pre-ride equipment checklist improves the operator's safety. Motorcyclists also have a duty to always drive sober as driving a motorcycle takes balance, coordination, and good judgement.

Remember to always look twice for motorcycles.
